

**IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF PENNSYLVANIA**

**JONATHAN RODRIGUEZ QUIJANO,**

Plaintiff,

v.

**BERKS COUNTY SHERIFF DEPARTMENT,  
et al.,**

Defendants.

**CIVIL ACTION**

**NO. 20-1362-KSM**

**ORDER**

**AND NOW**, this 21st day of December, 2020, upon consideration of Plaintiff Jonathan Rodriguez Quijano's *pro se* Complaint (Doc. No. 2), Motion for Appointment of Counsel (Doc. No. 8), and Motions for Extension of Time to File an Amended Complaint (Doc. Nos. 9 & 10), it is **ORDERED** that:

1. The official capacity claim against Defendant Larry Snyder is **DISMISSED WITH PREJUDICE** pursuant to 28 U.S.C. § 1915(e)(2)(B)(ii), for the reasons set out in the Court's Memorandum. The rest of the Complaint is **DISMISSED WITHOUT PREJUDICE** for failure to state a claim pursuant to 28 U.S.C. § 1915(e)(2)(B)(ii), for the reasons set out in the Court's Memorandum.

2. Quijano is given leave to amend within thirty (30) days of the date of this Order in the event he can state a plausible basis for a claim against an appropriate defendant. Any amended complaint must identify all defendants in the caption of the amended complaint in addition to identifying them in the body of the amended complaint and shall state the basis for Quijano's claims against each defendant. The amended complaint shall be a complete document

that does not rely on the initial Complaint or other papers filed in this case to state a claim.

When drafting his amended complaint, Quijano should be mindful of the Court's reasons for dismissing the claims in his initial Complaint as explained in the Court's Memorandum. Upon the filing of an amended complaint, the Clerk shall not make service until so **ORDERED** by the Court.

3. The Clerk of Court is **DIRECTED** to furnish Quijano with a blank copy of this Court's current standard form to be used by a prisoner filing a civil rights action bearing the above-captioned civil action number.

4. If Quijano does not wish to amend his Complaint and instead intends to stand on his Complaint as originally pled, he may file a notice with the Court within thirty (30) days of the date of this Order stating that intent, at which time the Court will issue a final order dismissing the case. Any such notice should be titled "Notice to Stand on Complaint," and shall include the civil action number for this case. *See Weber v. McGrogan*, 939 F.3d 232 (3d Cir. 2019) ("If the plaintiff does not desire to amend, he may file an appropriate notice with the district court asserting his intent to stand on the complaint, at which time an order to dismiss the action would be appropriate." (quoting *Borelli v. City of Reading*, 532 F.2d 950, 951 n.1 (3d Cir. 1976))); *In re Westinghouse Sec. Litig.*, 90 F.3d 696, 703–04 (3d Cir. 1996) (holding "that the district court did not abuse its discretion when it dismissed with prejudice the otherwise viable claims . . . following plaintiffs' decision not to replead those claims" when the district court "expressly warned plaintiffs that failure to replead the remaining claims . . . would result in the dismissal of those claims").

5. If Quijano fails to file any response to this Order, the Court will conclude that

Quijano intends to stand on his Complaint and will issue a final order dismissing this case.<sup>1</sup> *See Weber*, 939 F.3d at 239-40 (explaining that a plaintiff's intent to stand on his complaint may be inferred from inaction after issuance of an order directing him to take action to cure a defective complaint).

6. . Quijano's Motion for Appointment of Counsel (Doc. No. 8) is **DENIED WITHOUT PREJUDICE** at this time.

7. Quijano's Motions for Extension of Time to File an Amended Complaint (Doc. Nos. 9 & 10) are **DENIED AS MOOT**.

**IT IS SO ORDERED.**

---

<sup>1</sup> The six-factor test announced in *Poulis v. State Farm Fire & Casualty Co.*, 747 F.2d 863 (3d Cir. 1984), is inapplicable to dismissal orders based on a plaintiff's intention to stand on his complaint. *See Weber*, 939 F.3d at 241 & n.11 (treating the "stand on the complaint" doctrine as distinct from dismissals under Federal Rule of Civil Procedure 41(b) for failure to comply with a court order, which require assessment of the *Poulis* factors); *see also Elansari v. Altria*, 799 F. App'x 107, 108 n.1 (3d Cir. 2020) (per curiam). Indeed, an analysis under *Poulis* is not required when a plaintiff willfully abandons the case or makes adjudication impossible, as would be the case when a plaintiff opts not to amend his complaint, leaving the case without an operative pleading. *See Dickens v. Danberg*, 700 F. App'x 116, 118 (3d Cir. 2017) (per curiam) ("Where a plaintiff's conduct clearly indicates that he willfully intends to abandon the case, or where the plaintiff's behavior is so contumacious as to make adjudication of the case impossible, a balancing of the *Poulis* factors is not necessary."); *Baker v. Accounts Receivables Mgmt., Inc.*, 292 F.R.D. 171, 175 (D.N.J. 2013) ("[T]he Court need not engage in an analysis of the six *Poulis* factors in cases where a party willfully abandons her case or otherwise makes adjudication of the matter impossible." (citing cases)).
